"I wanted to thank you for the wonderful experience we had in Boston earlier this month!

My students had a fantastic time and are still talking about how much fun they had.

The whole idea of a scavenger hunt in Boston is amazing and it gave our students an experience they will always remember.

They are still laughing about the pictures they took in Boston and many parents have come to the office to check them out.

I also received the CD of pictures you sent me in the mail and wanted to thank you for that as well!"

"Everyone had a fantastic time! I never saw so many people smiling ear to ear at one time.

People are still talking about the wonderful team building experience! Thank you again for all your help, and for making it a successful event for our teams!

It was a pleasure working with you."

Marilyn - Anthem Blue Cross Blue Shield

"I received such great feedback about our team building event. Everyone had a lot of fun!

There were a couple of people who have done scavenger hunts in the past that said this one was so much better; it offered so many more things to find, the trivia, and additional fun facts really made us all use our brains and work together.

It was a huge success! We highly recommend you to others looking for a fun & rewarding team building idea."
